### Description of the Hospital.

The accommodation consists of:-

A ward of twelve beds for women.

A ward of six beds for men.

Six wards for private patients.

Three sun rooms complete.

A maternity ward of two beds, with an additional room.

An emergency ward.

A casualty ward.

An operating wing complete.

An X-ray room and dark room.

A waiting hall.

An office.

A nurses' dining room and pantry.

A kitchen wing complete.

Matron's sitting room.

Nurses' sitting room.

A separate bedroom for each member of the nursing and domestic staff.

Ample bath and lavatory accommodation,

Adequate household and medical equipment store rooms, and other necessary offices.

Outdoor stores and garage.

Gardener's Cottage.

This accommodation is devised on the radiating principle, whereby the maximum of light and air is available for every part.

One central corridor ensures easy air circulation and good supervision.

Each separate wing is planned as a unit, immediately adjacent to its neighbouring wings.

The cost of the site and buildings, including lighting, heating and drainage, furnishing, and laying out the garden, was £23,327.

### The Thirtieth Annual Report.

The Executive Committee has pleasure in presenting to the subscribers its 30th Annual Report.

The growth of the district served by the Hospital still continues very rapidly. The cases treated increased to 690 as against 632 last year; casualties numbering 330 as against 241 last year.

The Penny-a-Week Fund produced £1,401 16s. 7d. and a grant from King Edward's Hospital Fund £50. Other sums as set out on pages 18 and 19 have been received, so that the general income has been well maintainer!

The question of enlargement has given cause for much anxious thought, having in view the needs of such a growing population, and very shortly the General Committee will be called upon to consider amended plans for increased accommodation so badly needed in the men's ward, the provision of a new children's ward and nurses' home.

The Ladies' Hospital Supply Guild, which was discontinued last year, has been newly formed under the presidency of Mrs. Judd, and is doing good work for the institution.

Our Hon. Secretary, Major C. P. Lovelock, has been missed very much from our deliberations during the year owing to illness; we are glad to learn he is slowly recovering.

The Institution has suffered a very severe loss by the death of Mr. J. Tyler, one of its founders and Chairman of the Executive Committee since its formation in 1899. He was whole-hearted and sincere in everything for the good of the Hospital and its inmates, ever ready to do all that was possible to relieve the sick and suffering.

The Committee feel that the subscribers would wish them once again to place on record their indebtedness to all those who serve the Hospital, whether on the Medical and Nursing Staff, the Hon. Auditors, and those who on the various Committees do so much to provide the funds to carry on the work.

In conclusion, a few words addressed to new residents in the district. Please do not imagine that being newcomers you have no interest in the Hospital. It is the abnormal growth of the population that the need for enlargement exists. "Come over and help us" to carry on the good work. Give what you can afford to the extension fund, also ask for a "Penny-a-Week" box. This helps others; at some future day you may need the Hospital yourself.

H. W. PARKER,

Chairman.

### Report of the Ambulance Sub-Committee.

The year 1928 was not without its difficulties. On twooccasions the Committee had to make fresh arrangements for garaging and driving the Motor Ambulance.

Two hundred and seventy cases were carried, of which 74 were street accidents.

Towards the end of the year the local District Council were approached with a view to the Ambulance Service being taken over. This has now been arranged and the Committee will, therefore, be ceasing their activities in this direction.

C. P. INGRAM, Hon. Secretary.

### Hon. Medical Officer's Report.

A review of the work done since the new Hospital was opened is instructive and shows how progressive is the demand for beds.

Cases	admitted	during	1925	 	556
,,	,,	"	1926	 • • •	579
,,	,,	,,	1927	 • • •	632
			1928	 	690

These figures speak for themselves. It has only been possible to accommodate the cases during the past year by undesirable overcrowding.

We sincerely hope that the public will provide the necessary funds in order that the proposed extension may be carried out without delay, and so avoid a continuation of this deplorable state of affairs.

The Medical and Nursing Staff are only too willing to do the extra work if the necessary means are provided.

The results obtained during 1928 have been very gratifying, thanks largely to the surgical treatment having been backed up by excellent nursing. For this we tender our grateful thanks to the Matron and Nursing Staff, also to numerous V.A.D. workers who have given valuable help.

Miss Rayner, our Hon. Masseuse, has also been invaluable and has earned the gratitude of many patients by her skill and devotion.

The X-ray department is increasingly in demand. During the year our Hon. Radiographer has taken 466 X-ray photographs, and to her, also our thanks are due.

We all appreciate very much the services of Miss Menzies, who has paid a daily visit to the Hospital to arrange the flowers and has thus done much to brighten the wards.

GENTLEMEN.

Your sub-committee have pleasure in reporting that as a result of another successful year's work, the sum of £1,401 16s. 7d. has been paid into the Hospital Funds. The total raised by this scheme since it was started is now £5,055.

Once again they wish to thank the very many helpers and the box holders who have so willingly contributed, and hope that the scheme may soon be considerably extended in order to meet the greater needs of the enlarged Hospital as soon as this is accomplished.

A list of box holders is attached.
